Lesson Topic Sunday About Divine Love

The power of divine Love in daily living will be the subject at all Christian Science churches Sunday.

Opening the Bible Lesson readings on "Love" will be this verse from 1 John (4:7): "Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God."

Selections from the Christian Science textbook will include these lines: "Human affection is not poured forth vainly, even though it meet no return. Love enriches the nature, enlarging, purifying, and elevating it."

A man's first care should be to avoid the reproaches of his own heart—Joseph Addison.
